**Re: Mid Century Telephone Cooperative
CC Docket No. 00-257
Notification Pursuant to Rule 64.1120(e)**

Dear Ms. Dortch:

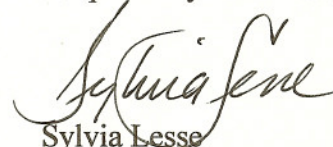

Pursuant to Section 64.1120(e) of the Commission's Rules, this letter provides notification to the Commission of the pending acquisition and contemplated transfer of the local exchange subscriber base of Yates City Telephone Company by Mid-Century Telephone Cooperative. In accordance with Commission requirements, the following information is submitted herewith:

1. Selling Carrier: Yates City Telephone Company ("Yates City").
Acquiring Carrier: Mid Century Telephone Cooperative ("Mid Century").
2. The types of services to be provided to the affected subscribers: Local exchange and IntraLATA toll service.
3. Expected date of transfer of subscriber base to Mid Century: July 2, 2007

A copy of Mid Century's advance subscriber notice is attached. Mid Century hereby certifies that it has provided this advance subscriber notice to all affected subscribers in accordance with rule 64.1120(e)(3), in compliance with the obligations specified in that subsection, and with the statutory and Commission requirements applicable to this streamlined notification process.

A copy of this letter is being filed electronically in the above-referenced docket.

Respectfully submitted,

Sylvia Lesse

April 27, 2007

Dear Yates City Telephone Company Customer:

We are pleased to announce that Mid Century Telephone Cooperative has agreed to purchase Yates City Telephone Company's local telephone business. This notification relates to your local service, which is currently provided by Yates City Telephone Company.

When all necessary regulatory approvals are obtained and the transaction is completed, you will become a subscriber of Mid Century Telephone Cooperative for your local service and Yates City Telephone Company will no longer provide any services. We anticipate that the transaction will be completed in about three months, probably in July, but no sooner than 60 days from the date of this notice. Of course, you will not incur any charges for changing service.

You have the right to transfer services to another provider, if an alternative provider is available. Mid Century will be responsible for any carrier change charges associated with the transfer if the transfer occurs before or within 30 days of the close of the transaction. You can choose to take no action, which will result in your services defaulting to Mid Century, even if you have arranged to have a preferred carrier "freeze" placed on your account. Because, under Federal Communications Commission rules, all "freezes" are lifted as part of this acquisition process, you should contact Mid Century at 877-643-2368 if you wish to arrange for a new freeze.

If you don't take any action before the transaction closes:

- You will become a subscriber of Mid Century Telephone Cooperative, eligible to become a member with full voting rights and the opportunity for Capital Credits.
- Although your residential retail rate will increase immediately by \$1.25 per month, you will be eligible for a \$3.05 discount for paying your bill within 20 days. The business retail rate will be \$1.25 per month less than your current rate.
- You will soon have access to a number of additional calling features such as voicemail, caller ID, automatic recall and automatic call back.
- Soon, calling to Maquon will be part of your local service and will no longer be a toll call.
- Your telephone number will **not** change.

For now, you should continue to pay your local Yates City Telephone Company bill just as you have been doing. Once the transaction is complete, you will automatically begin receiving a monthly statement from Mid Century in place of your current Yates City Telephone Company bill. If you have any questions regarding this transaction, you can call the Mid Century business office toll free at 1-877-643-2368. For questions related to your current service, please continue to use the same telephone numbers that appear in your local directory or on your current telephone statement for reaching a Yates City Telephone Company representative.

Mid Century has a long history of providing high-quality telecommunications service at affordable rates. For example, Mid Century introduced DSL High Speed Internet service in October of 2003 and made that service available to 100% of its members in 2006. Mid Century intends to extend that 100% availability to subscribers in the Yates City exchange as soon as possible. Additionally, this same DSL technology will allow us to provide our Video offerings to your home or business. The services of High Speed Internet and Video are conveniently provided over your telephone line and all services are billed under one bill.

Yates City Telephone Company has valued your business and will continue to serve your local telecommunications needs until the changeover is complete. Rest assured we will make this transaction smooth and effortless and will continue to inform you of developments as they occur. Mid Century and Yates City Telephone Company, along with Century Enterprises and Yates City Long Distance, are committed to ensuring that you receive the best possible service to meet your needs.

Sincerely,

Russell D. Schrodt, General Manager
Mid Century Telephone Cooperative

DECLARATION OF RUSSELL D. SCHRODT

I, Russell D. Schrodt, General Manager of Mid Century Telephone Cooperative, the parent of Century Enterprises, Inc. (collectively, the "Companies"), do hereby declare under penalty of perjury that I have read the foregoing Notification Pursuant to Section 64.1120(e), and that the facts stated therein with respect to the Companies are true and correct, to the best of my knowledge, information and belief.

Russell D. Schrodt
